

- In 1986 Studio Alfa enterprise, situated in Agia Varvara, Heraklion, started undertaking video recording and photography of weddings, christening ceremonies and social events with a zest of passion and creativity.

- After thousands of meters of film, tape and countless satisfied customers, we decided to expand our business by creating our own wedding dresses and christening baby clothes of high quality, surpassing your expectations. We have managed to gain our customers confidence quickly.

- We provide complete solutions for weddings, christening ceremonies, wedding favors packaging (bonbonnières), digital and handmade/analog photo albums, invitation cards, photo printing and digital applications at comparatively affordable prices.
